DIV OF OIL GAS & MINING

Dear Mr. Haddock:

Staker & Parson Companies is turning in FORM MR-TRL in regards to the Ekins East Quarry, located in Utah County. The current DOGM permit holder for this quarry is Valley Asphalt (Western Aggregates). Staker & Parson Companies acquired this quarry in 2002 in a bankruptcy buy out and is turning in this form to change the permitted name on the Ekins East Quarry DOGM Permit from Valley Asphalt, to Staker & Parson Companies.

The FORM MR-TRL has a section for the Transferor to sign. As of 2002, the company, Valley Asphalt (Western Aggregates) no longer exists, so no one from this previous company can sign.

This letter is to inform DOGM of this fact, and that page 3 of FORM MR-TRL will be unsigned.

Please notify me if you have any further questions.

Sincerely,

Staker & Parson Companies

Michael Dalley
